Winners of the 2012 OS Scholarships have been announced. Carielle Spangenberg, age 17, attended Alhambra High School, Martinez, CA was awarded the Mathematics Appreciation Award (\$500) and will be attending the University of California, Berkeley. Maryam Khazraee, age 21, a graduate student from Ormond, Florida, has been selected to receive The Science Award (\$1,000) and will be attending the University of Florida, Gainesville. Our first year of providing scholarships was very successful. If you would like to contribute to the scholarship fund, please contact the Society at oughtredsociety@comcast.net.

2012 Summer Meeting is June 23, 2012 in Mountain View, California at the Computer History Museum. Oughtred Society Members are invited to attend. The Computer History Museum has been completely redone, which should make our visit this year additionally interesting. Great auction of slide rules and other calculating instruments. \$90 registration before June 11, \$100 after, catered lunch included.

2013 Winter Meeting will be February 16 in Tucson at the world renowned Pima Air and Space Museum, hosted by OS members Martha Prince and Richard Davis. This is an outstanding venue, and the famed Tucson Gem and Mineral Show will be in progress at the same time, making this a great opportunity for a vacation / meeting trip! Slide rule and calculator auction. Only \$35 registration. Nonmembers are invited to attend.

The 2012 Oughtred Society Awards nominations are in progress. Please send your nominations to oughtredsociety@comcast.net for The Oughtred Society Award and for Fellowships. Click [HERE](#) for more information.

The Journal has received enough articles to fill the issue for Fall 2012 and is almost filled for Spring 2013. Thanks for your many excellent articles. All members are invited to submit articles for the Journal. If you are preparing an article, please send your draft to david_for_os@att.net as soon as possible.

Website addition Bill Robinson's *Hyperbolic Slide Rule Archive*, current version, has been added to the OS website. Click [HERE](#) to view this list of all known slide rules with hyperbolic scales.

This Newsletter is planned to be sent to you the first week of each month. If you have suggestions for items to be included in the Newsletter, please send them to us at oughtredsociety@comcast.net.
